

This is a project update for the Cowles Street Project effective August 14, 2009.

Cowles St and 21st Ave

- Sidewalk installation will begin this weekend and continue into next week
- Please avoid concrete work zone
- Please be extremely cautious as equipment and workers will be in the road area

Cowles, 23rd to 19th Ave, continues to be closed to through traffic

- Residential and Business access is provided
- Detours are set up during this period, directing traffic around the closed area

19th Ave and Cowles St Intersection

- Eastbound traffic (headed towards South Cushman) has been shifted into turn lanes
- Westbound traffic remains in its normal lane, but drivers should be cautious

23rd Ave and Cowles St Intersection

- Westbound traffic (headed towards Lathrop St) has been shifted into turn lanes
- Eastbound traffic remains in its normal lane, but drivers should be cautious
- The four way stop remains in effect at both intersections

- Watch for pedestrians, especially as school is starting on Monday, August 17
- 21st Ave and Cowles St are unpaved so speeds should be kept down for safety

Please visit the Cowles Street Project [website](#) and refer your clientele for more information.

If you have any ADA concerns about the Cowles St Project please contact Exclusive Paving or DOT&PF.

THANK YOU FOR YOUR PATIENCE!
